### Changes to Conferences and Monthly Luncheons/ Workshops

At the January Board Meeting, PTC Officers and Directors voted to change the luncheon and conference formats in consideration of the needs of PTC membership and upcoming budget concerns. For this year, instead of two conferences, there will only be one, two-day conference in the fall. Because the conference chairs have more time to plan for the conference this year, it is expected that this will be an event that you will not want to miss. We will be providing more information regarding conference content, dates, and location soon.

With regard to the monthly luncheons, we have received feedback from members indicating a desire for more hands-on workshops. Consequently, the monthly luncheons will be interspersed with workshops that will teach basic and advanced skills relative to personnel selection and assessment.

Last month, the luncheon was held on Friday, February 29<sup>th</sup>, and we had a very good turnout. Because of this, we decided to move our luncheons from being regularly scheduled on Wednesdays to being scheduled on Fridays. We hope this schedule works well for you.

Jeremiah McFarland will be emailing out specific information regarding the locations for each lunch. Please note these dates in your date planner or outlook calendar.

Here is the tentative schedule for this year:
